

HANDI QUILTER EDUCATION EVENT

Are you ready to take your long arm quilting to the next level? Would you like to learn how to use a specific ruler and how to incorporate your own design into a fabulous quilt?

Come and join us on this exciting journey of discovery at *Tomorrow's Quilts* in Waco, Texas. We are proud to offer the following two day education program from the Handi-Quilter National Educator, Susan Manny!

Susan has been sewing since the age of 5 and has a broad range of interest in arts and crafts! Susan was smitten after she discovered one activity could combine her creative joys (fabric, design, drawing, and sewing) in one activity, long arm quilting! She enjoys quilting professionally with the HQ Infinity and has also added the HQ Sweet Sixteen to her studio!

Come and join us for this exciting event, but you must hurry! Reservations are taking place now on our website and seating is limited! Reserve your seat today by registering at <http://www.tomorrowsquilts.com/>
