Woven Fabric Christmas Stocking

Description

Weave your stash into a stunning Christmas stocking! Create a richly textured 18" x 20" fabric panel using raw-edge strips, decorative stitching, and a dimensional Texture Magic cuff—while learning skills to design many more custom fabrics.

Materials Fee - \$20

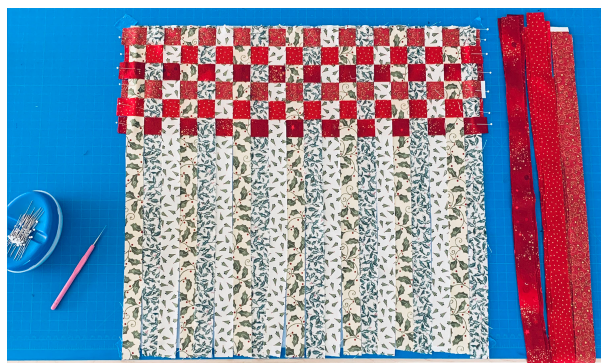

- 1 - spool 12 wt Aurifil thread (red, green or gold);
- 1 - 100/16 titanium topstitch needle;
- Iron-on interfacing, 18" x 20";
- Pellon Fabric Magic - 18" x 5 1/2";
- Fat Quarter Christmas stocking pattern
- Instruction handouts

The stocking on left is 6 fabrics:
3 light and 3 dark. The two on the
right are just 2 fabrics, 1 red & 1 green

Supplies to Bring

- **Fat Quarters: 2 or more for weaving** (*If the fabric you have is full width, that is fine*)
- **Fat Quarter** – 1 for lining
- **Fat Quarter** – 1 for cuff and toe
- **Sewing Machine** that can do zigzag stitching plus zigzag foot
Optional: walking foot
- **Needles** (70/10 & 80/12), **bobbins**
- **Invisible thread** and/or 100 wt poly like Wonderfil
- **Thread** in coordinating color for fat quarters
- **Glass or silicon head pins**
- **Ruler** with 45 & 60 degree angle markings
- **Rotary cutter & small Mat**
(*not smaller than about 11 – 12 inches on one side*)
- **Chalk**, e.g. Clover slim Chaco Liner or chalk pencil in light color
- **Stiletto & Thread stand** if you have one
- **Pressing cloth**

This is the beginning of weaving the fabric for
the stocking on the left in the photo above.
