Time: 9:00am to 1:00pm

Class Description:

Jen Kingwell's "Gypsy Wife" pattern looks complicated although it's actually just a mix of traditional blocks and vertical strips that create this enchanting quilt. This class will help you find your way through a pattern that can be difficult to follow while providing an opportunity to use all your favorite fabrics. This is the ultimate stash buster for sure! Finishing at 59 inches by 68 inches, it will be a beauty to hang on your wall, drape over your couch or top your bed.

Supply List

Fabric for Blocks: About 2.5 yards of assorted fabrics. These can include almost any fabrics from florals to geometrics, from solids to stripes and dots. The sky — and your personal taste — is the limit.

Fabric for Strips: You'll cut 63 strips the width of the fabric from an assortment of fabrics. These can be the same fabrics as above or you may choose neutrals in a range of values from light to medium to dark. Some strips will be cut almost the width of fabric, so fat quarters will not work well for the strips.

Other Supplies:

- "Gypsy Wife" pattern booklet
- Rotary cutter with fresh blade
- Acrylic rulers: 6" x 24" or 6.5" by 24.5" to cut strips and 3.5" or 4.5" x 12".
Square up rulers can also be helpful if you have them.
- Straight pins
- Thread snips
- Neutral thread for piecing
- Sewing machine
- Marking pen
