Dear Vendor,

The Wheat & Beet Day's planning is well under way here at Garland City and we would like to welcome you to participate in our Wheat & Beet Day's Celebration! This year promises to be another exciting year. Our celebration will be a two day event held on Friday, June 28 & Saturday June 29, 2019.

Enclosed you will find an Application and Acknowledgement form. If you would like to be a vendor this year, please fill out the application and carefully read through the acknowledgement. Return this form with your payment. The booth rental this year will be **\$20.00** for a booth with **no power** and **\$25.00** for a booth **needing power** (for the power booths we will only supply 120V). The booth spacing is 10' x10'; should you require more area, you will be charged accordingly for that space. Garland City **will not** provide extension cords - you will need to supply your own.

Those vendors who will be serving food need to contact the Bear River Health Department to make sure they are in compliance with their vendor regulations. Please note that this step is a requirement of the Bear River Health Department and Garland City cannot be held liable for noncompliance. Be sure to do this a few weeks before the event, as the closer to the event it is, the more they will charge in fees.

To ensure a diverse mix of services we will be limiting the number and variety of vendors. Applications will be taken on a first-come, first-serve basis. No vending spots will be reserved for vendors unless payment and applications have been received. You will be able to set up your booths on Friday between 12:00 p.m. and 3:30 p.m. Take down will need to be between 6:00p.m. & 8:00 p.m. before the fireworks on Saturday.

Thank you so much for your interest in participating in Garland City's Wheat & Beet Days Celebration! Should you have any questions, please feel free to contact me by phone or email.

Sincerely,

Angie Johnsen
