Rather contact me before the next game and we will clarify the rule and make the sure the refs are clear on the rules for the next game. The refs are not perfect and do make mistakes, remember this happens on every level of play in every sport. The tournament will be a bracket style tournament. The rankings for the tournament will be determined by record. There is no play back through in the tournament. For the sake of time, games that are tied will go straight to penalty kicks. There will be five penalty kicks per team. This will continue until one team outscores the other team during a set of five penalty kicks. Everyone must kick before starting the lineup over. Anyone can be goalie. Highest ranked team is home team. First game of season does not count toward tournament standings.
