

Greetings Fellow Quilters,

I am sure that everyone is hoping that all those April showers have brought lots of May flowers. With the warming trend we are in for, it is wonderful to think about enjoying some outdoor activities.

*The new Pfaff Performance Icon is here! We hope you'll stop by to learn about this machine and how it can make your sewing projects amazingly easier with the features you will love. A few of the attributes of this machine are:*

- Largest Working Area
- Unprecedented Lighting Design
- ActivStitch™ Technology
- Comprehensive Connectivity with WiFi and mySewnet™
- Automatic Needle Threader
- Enhanced Original IDT™
- Huge Multi-Touch Screen with a Smart Digital Interface

We always are getting new fabrics in, but don't forget to look around at some of the newest patterns we've gotten in recently, too.

Please always check our calendar online for the latest changes or additions for classes, as well as fabrics or other products. There is a change to the regular third May Pfaff Club class as well as the Premier +2 class. And please don't forget that we will be closed on Memorial Day!

Happy Quilting!

Lyn
