

Greetings Fellow Quilters,

Thanksgiving has come and gone and we hope that you had an enjoyable and relaxing time. It's such a wonderful holiday to look forward to and where a good meal is the main focus as well as spending time with family and friends.

We have several calendar dates we'd like you to be aware of in December. We've had to rearrange things because of the Christmas holiday. Pfaff Club and also Premier+2 software classes will be held on December 5, 8, 18 and 20. We have added a Free Sew day and hope that you will come in to use our shop to finish up your last minute gifts or projects. Feel free to come on December 7, 14, 19, 21 and 28 from 10 AM - 3 PM. Please remember that these are not teaching sessions, but we are happy to answer questions.

We now have the latest versions of Pfaff's Expression and Ambition machines. Please let us know if you'd like a demonstration on one of these machines. Any machine would make the perfect gift for your loved one, or perhaps you've thought about replacing your older machine with a new one!

Also in stock are other models of Pfaff sewing machines which include a wide price range and selection from hobby machines to embroidery machines. Don't forget the ICON machines, both the Performance (non-embroidery) and the Creative (embroidery) machines. All machine sales include lessons on your new machine and financing is available for qualified buyers.

We also have a "previously loved" Creative 4.5, Creative Sensation and Creative Sensation II machine for sale.

Don't forget what great stocking stuffers notions and gift certificates make!!

In December, instead of a New Bag Class, we are offering a "Finish Any Bag" opportunity for you to bring a previously started bag from a class you took with us. It's the perfect time to be able to finish up a project you may have wanted to give as a gift.

Don't forget to mark your calendars in January for the BQBanquet Trunk Show. Be sure to check our calendar online for the most updated information.

We will be closed December 24, 25 and 26 so that we may enjoy this special holiday with family and friends.

However you celebrate, we wish you the happiest of holidays!

Happy Quilting,

Lyn and the Needlelyn Time Gang
