

Greetings Fellow Quilters,

You don't have to be *Irish* to have good luck the month of March! We are bringing the *Purple Bag* sale to you again! Here's what you do . . . Maybe you still have your bag from the last time we ran this sale. If so, just bring it with you **one** day in March, fill it up, and get 20% off everything that you were able to fit into your bag! If you didn't save your bag, or don't have one, just buy one for \$1.00. It's that simple! (Sale can't be combined with any other discounts.)

Just look at these cute "Notion Organizer" zipper bags. Each one is done in the hoop. They would make a great addition to your sewing supplies, as well as great gifts for your friends who sew!

We are changing our hours year 'round to 9:30 AM - 5:00 PM Monday through Saturday. The holidays we recognize will not change and are listed on our web site under "Contact Us."

The best way to know if there are changes or additions to our calendar is to view it online. We have added one additional class for Zentangle on April 25.

Happy Quilting!

Lyn
