& Nov 5, 19, 26 & Dec 3 from 9:30 am to 12:30 pm

Cost: \$135

## BERNINA

### BERNINA EVENT: EMBROIDER ON SPECIAL SUFACES

You will embroider on special fabrics; Cork, Kraft-Tex, and Balsa Wood, and at the same time try some unique embroidery techniques, using metallic thread, crystals, and Paint Works! You will go away with more understanding on which stabilizers work best in different situations as well as with some great items to organize your sewing room. All you need is an Embroidery Machine and a standard hoop and we will provide the rest. [West]

Nov 9 from 10 am to 4:30 pm

Cost: \$149 *Includes kit valued at \$50!*

### BERNINA EVENT: TAME THAT TECHNIQUE

Expand your skills as you learn techniques to construct, embellish and finish your projects. In this workshop you will insert zippers, do hemstitching, rolled hems, texturing and piping, to name a few. Everyone will walk away with a notebook full of samples, instructions, and tips that will improve your sewing skills, inspire you to create new projects, and love sewing even more! [South]

Nov 24 from 10 am to 4 pm

Cost: \$129 *Includes a kit valued at \$30!*

## SIT & SEW OPEN CLASS TIME

Sit and Sew sessions are open class times where you can finish any UFO's (unfinished projects) from a class or even personal projects from home. This is your opportunity to dedicate time to complete it before the holiday rush! Drop in, bring your sewing machine, accessories and all the various parts for your UFO project. There will be no formal instruction but an experienced quilter will be on hand to help resolve any of the issues you may encounter.  
Cost: \$25

## ENDLESS POSSIBILITIES WITH STABILIZERS

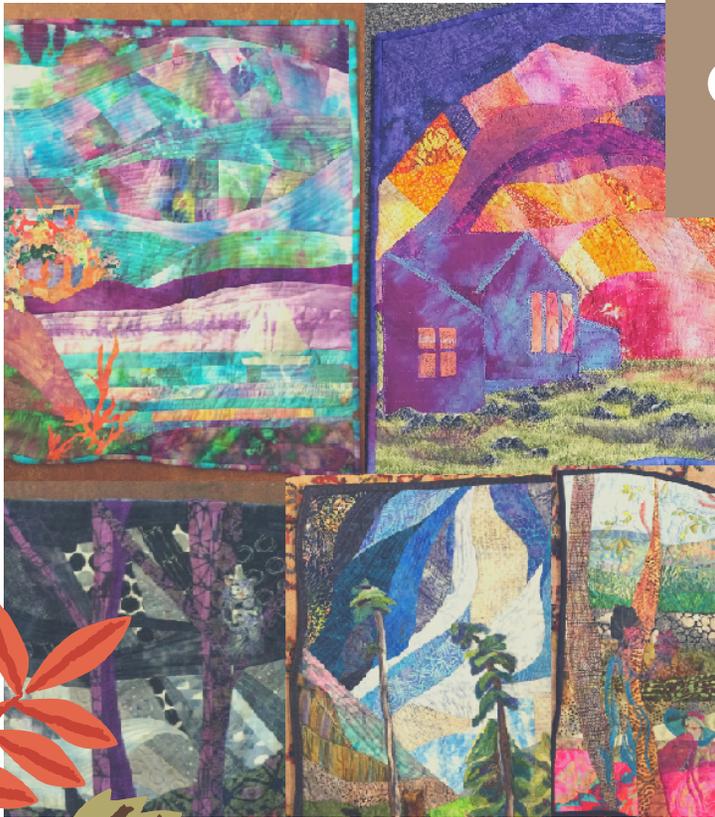

Join Product Specialist Cathy McClean to check out all the possibilities and uses of stabilizers! Answer questions such as: What is a stabilizer? How have stabilizers changed and been updated in the last 20 years? Where do I need a stabilizer? Go home with sample of all the Sulky stabilizers and a pattern for an easy paper piece quilt label. [South]

Nov 17 from 6 to 9 pm

Cost: \$50 *Includes stabilizer kit!*

## ADVENTURES IN CURVED PIECING WITH DARLENE BAYLEY

Curved piecing adds flow and dynamics to your projects! Darlene's no-ruler approach combined with a design-as-you-go attitude will open the doors for you to flex your creative muscles and play with all sorts of mediums to add dimension and texture to your one of a kind work of art. Whether you create a landscape, a flowing background for additional appliqué, or even a HUGE flower, you will love this easy approach to design. [South]

Sat, Nov 5 & 19 from 9:30 am to 12:30 pm  
Cost: \$125

## DESERT SKY QUILT

Learn how to make this stunning quilt by playing with colours, patterns and batiks to create your very own Desert Sky. Foundation paper piecing is often seen as complex – it's not! In this class you will master the few technical skills required to construct the precise details in your quilts. You will develop the paper piecing knowledge needed for any future project you'd like to complete, and the sky's the limit! [West]

Nov 19 from 9:30 am to 2:30 pm  
Cost: \$87

# SPIRAL STAR

You'll create this lovely 40 inch star with an interesting twist- the colours spiral outward from the center to add a unique new look for a lone star! The best part, its all done with strip piecing. Use the star by itself or add some borders to enlarge it to a bed size quilt. [South]  
Dec 1 & 15 from 9:30 am to 12:30 pm  
Cost: \$90

# CONTAIN YOURSELF WITH GEORGIE

This fun project makes a versatile box for toys, gifts or any of your storage needs. Once learned the pattern can be modified to any size you'd like, and different interfacings can be used to make different products. Its easy to get the hang of and goes together like a dream! [West]  
Dec 3 from 10 am to 2 pm  
Cost: \$45
