

Summer Challenge

The Summer Challenge Committee is intended to educate, entertain, and challenge Yakima Valley Quilt Guild members during the busy but different summer months by encouraging members to try something new, something portable, or something skill building that is suitable for summer's lifestyle.

The Summer Challenge Committee includes the Chairperson and at least YVQG volunteer.

The Committee will contemplate possible projects sufficiently so it can be presented at the 2nd meeting in May. The Committee will provide written instructions or guidelines, as needed, including setting a reveal date early in the fall. If timing permits, submit an article to PieceTalk to encourage participation.

Scheduling is to be coordinated with the Program Committee/Chair and/or the Executive Board.

Thank you for accepting the Summer Challenge Chair.
