

Oh So Simple

Measures 1620mm x 620mm

This runner uses a Simple Curves Ruler. All instructions to complete a quilt block are included with the ruler.

This fabric kit contains fabric to complete the front only. It is constructed with 12 blocks plus 2 anchors.

Each block is the same.

10 ½" X 5 ½"

Curve is cut across the width 10 ½" x width of Fabric.

10 ½" x 4"

10 ½" x 4"

It is important to follow the cutting instructions included with your tool as the top and bottom of each curve is different.

Construct 12 blocks and join (refer layout above) 6 blocks for one side add an anchor block 12 ½" X 5 ½" to one end. Complete the other side and join through the middle.

Option 1 Finishing.

Cut the batting to the size of your quilt top, place underneath the quilt top. Cut the backing fabric to the same size and with right sides facing stitch around the outside leaving a 10-12" space. Trim the corners before pulling the quilt through. Now quilt and close the opening.

Option 2

Layer top, batting and back, quilt and Bind.

NB If you are not using the kit I sell, the fabric requirements are ½ metre for the four fabrics apart from the Stripe fabric and this is 60 cm.
