Fabric (Dark Teal) Border

Cut (4) WOF at $2 \frac{1}{2}$ inches. Measure the center of your quilt and cut your borders to fit your quilt.

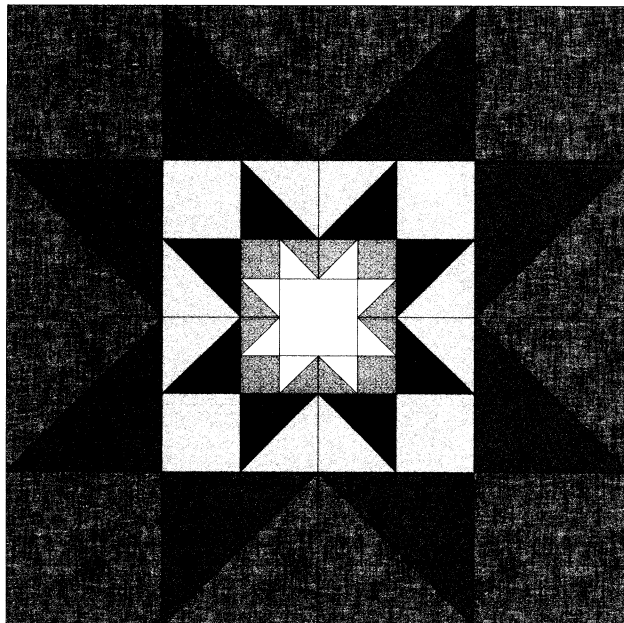

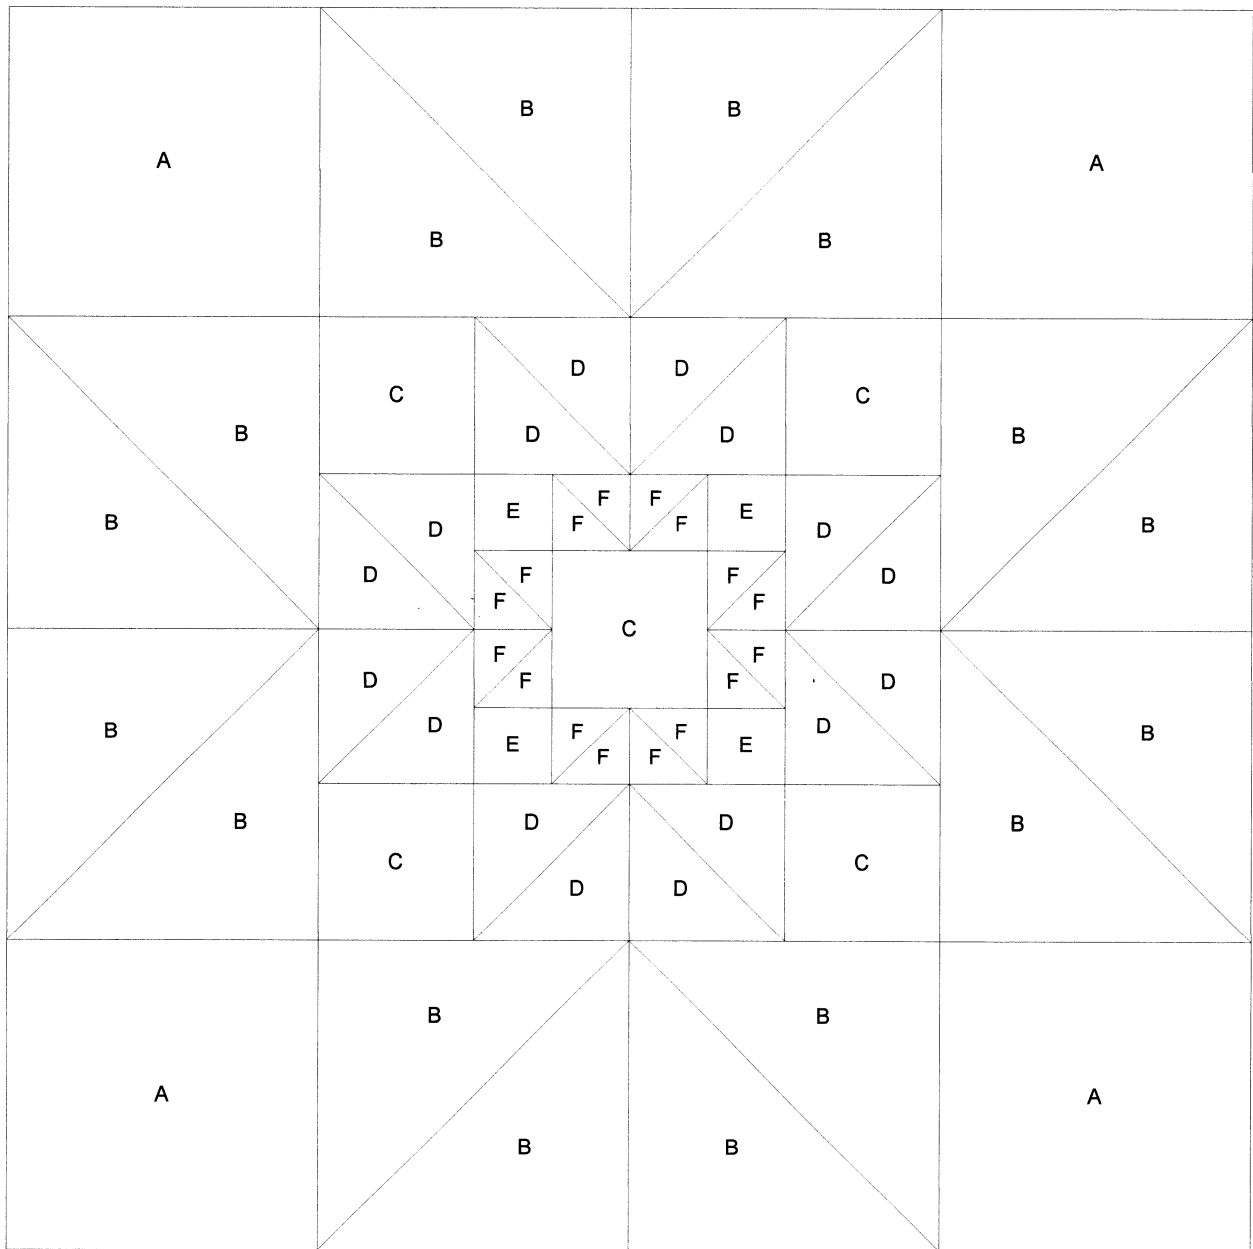

Assemble the half square triangles following the diagram.

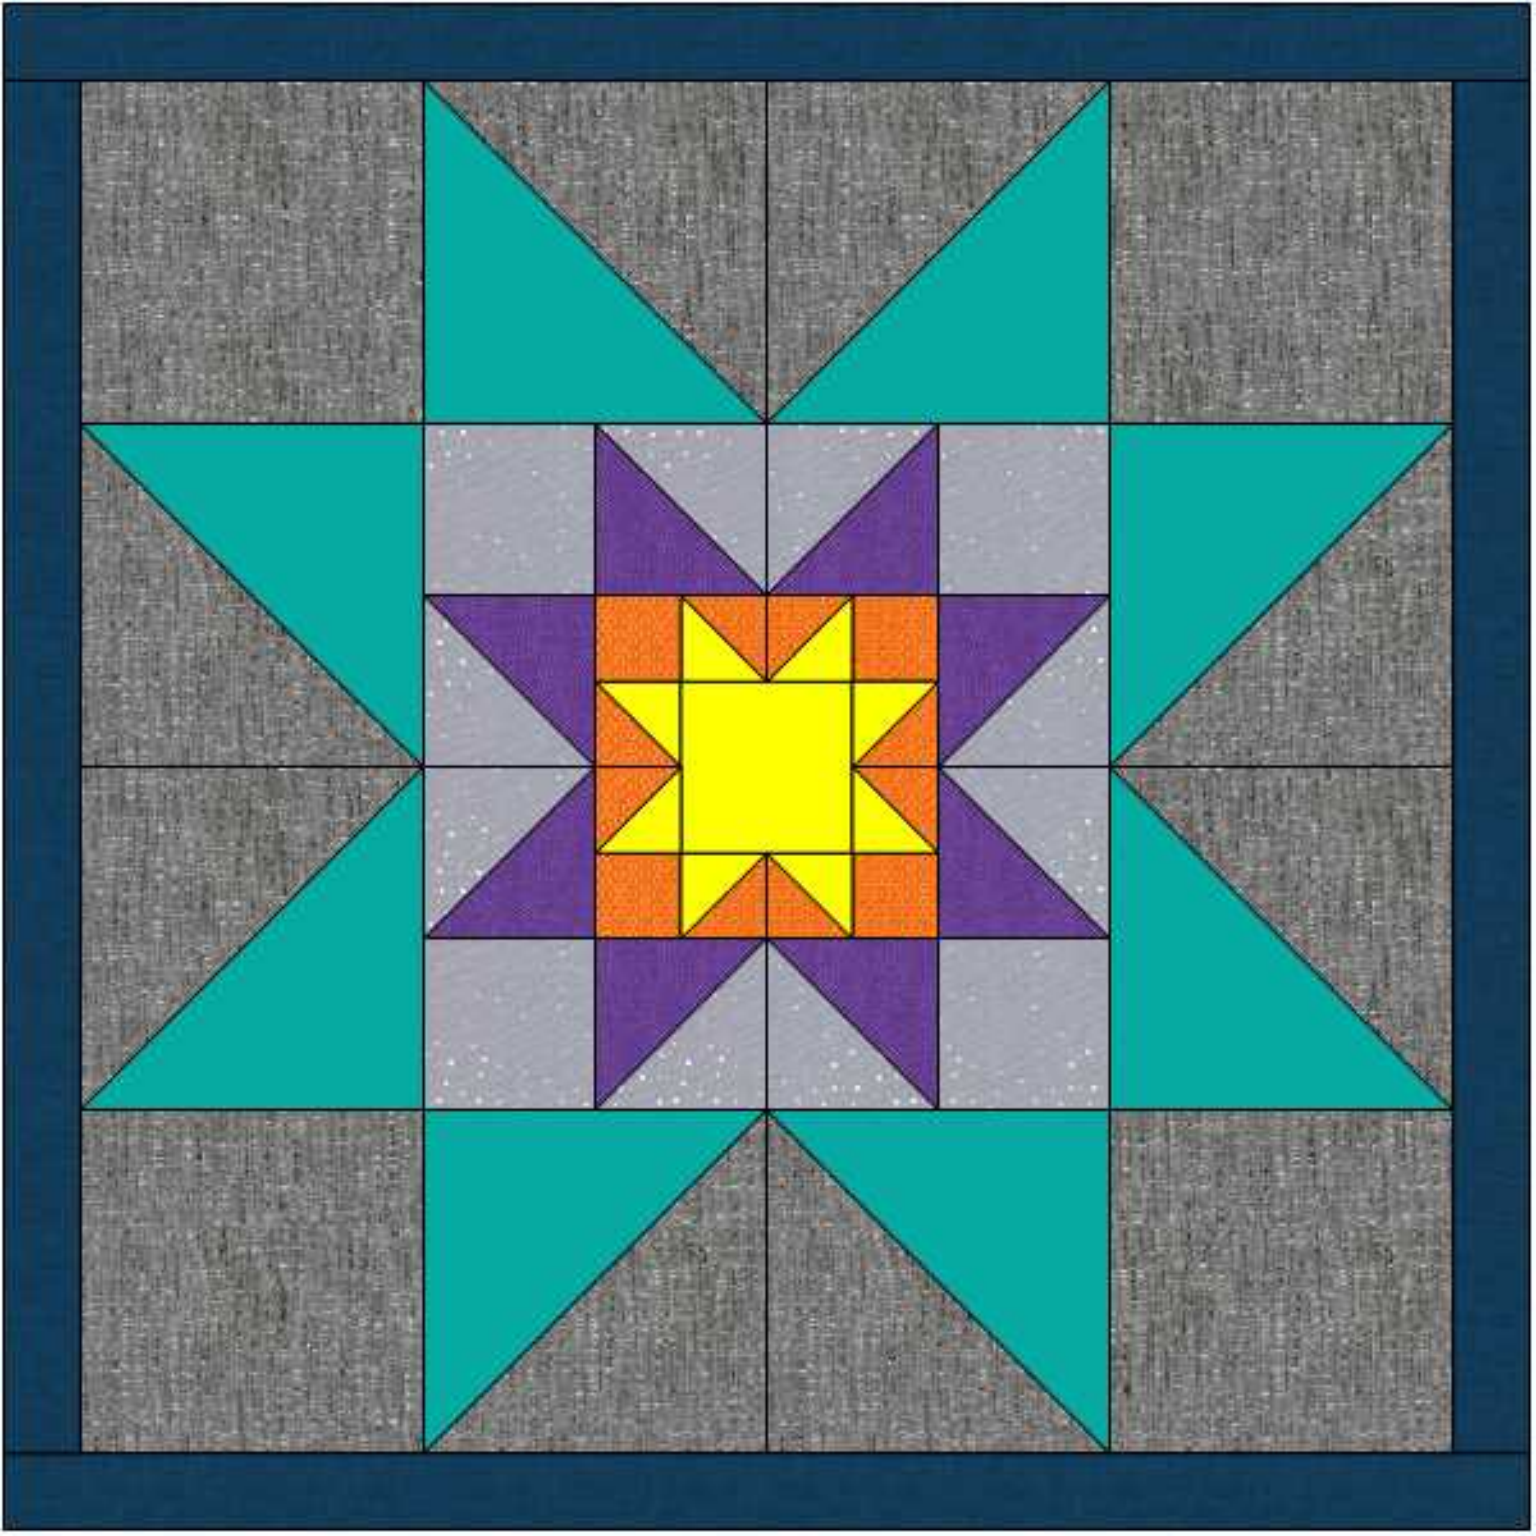

Beginning with the small star, assemble the center star in three rows. Add additional sections to complete the second star. Continue until the third star is assembled. Press seams/intersections well to reduce bulk.

Measure your block before adding the borders. I placed my borders top and bottom, then added the side borders.
