I have a passion for quilts and quilting, and I welcome the opportunity to share it with you.

My guild programs include 25 -30 quilts that I bring with me.

I have been quilting since 1990, but sewing a lot longer.

I am also a Certified Teacher for "Sew Kind of Wonderful" products, which include their "Quick Curve Ruler", and I now offer some of their patterns as classes.

You can find me on my Facebook page as well as on Youtube. Just look for
