

## November Newsletter:

Happy Thanksgiving month!!! Let's remember to be so thankful for the creativity we each enjoy as we continue to sew and sew and sew 😊

I am thankful for each person who has continued to support our business. We will be celebrating 20 years come February, 2023 God willing and the creek don't rise. So be prepared for a celebration, I should imagine.

As we approach the holidays, please know we plan to be CLOSED:

- Wednesday, November 23; Thursday, November 24; & Friday, November 25
- Saturday, December 24 and Monday, December 26
- Saturday, December 31

We hope to host our annual PJ Party on Sunday, January 1<sup>st</sup> again this year so watch for further announcements and keep the evening open for a fun gathering of crazy ladies 😊

Now, what to expect here before the holidays. . .

2<sup>nd</sup> Saturday BOM (block of the month) will begin a new project in January. On Saturday, November 12 (this week!), we will have an informational meeting to reveal the project and the rules required to participate. No need to register, just pop in this Saturday at 9:30 and hear all about it. Did you know that 2<sup>nd</sup> Saturday participants get double stamps on their customer appreciation cards when they attend each meeting. Just a little perk to entice you to join 😊

I also hope to begin another 6 month BOM on the 4<sup>th</sup> Wednesday each month and will be mentioning it during my presentation this Saturday.
