

Freezer Paper Foundation Piecing Flower Pot Supply List

- Freezer paper
- Black fine point pen
- Paper and fabric scissors
- Rotary supplies
- Sewing machine with usual sewing supplies
- Acrylic rulers – I used a 1”x12” and a 6”x12” – optional, but very helpful
- Neutral thread
- Material – Check the cutting instructions, next page, for size of each cut piece, this pattern is very scrap stash friendly.
 - Background
 - Flower Pot – top band and bottom band I used the same fabric, middle band was a coordinated print
 - Flower Stem and 2 Bottoms Leaves are the same print
 - 2 Top Leaves are the same print
 - Flower – 2 bottom petals are the same print, with a coordinating band, 2 middle petals are another print, and the middle/top petal is yet another print. Option: Use the same print for all petals.

If you are comfortable pre-cutting your project, I have included the cutting instructions on the following page.
