

Scan N Cut Project Class

November 2021 Supply List

- Scan N Cut with power cord
- **USB Stick** available at RSC**
- Your favorite mat for vinyl** available at RSC
- Standard blade** available at RSC
- Low tack mat**available at RSC – we will be using several kinds of paper
- Weeding tool** available at RSC
- Spatula** available at RSC
- Small Scissors** available at RSC
- Sharp tweezers **available at RSC
- Painters Tape
- Squeegee**available at RSC
- **Universal Pen adapter**available at RSC**

The kit fee of \$25 is payable to Libby at the time of class. The kit fee includes all fabric, vinyl, transfer tape, blanks and designs. You will be using the Universal Pen adapter for two of our projects – we will be using sublimation markers to create 2 cute coasters and regular markers to create a card. We will also create a cute Christmas Countdown sign.
