

“IMAGINE” SANTA APPLIQUE

Supply List

This class is a great start, or refresher, for machine appliqué projects. You will start with a pattern from the book **“Imagine”** by Art to Heart, transfer the parts to fusible web, cut the design parts, arrange them onto a background and begin to stitch. You will see samples of different types of stitches, and learn how to make the adjustments on your machine for perfect appliqué.

Bring: Book **“Imagine”**--25% off for class (this is a copyright requirement)

- Sewing machine with power cord and foot control
- Open toe foot or “B” or “N” foot (ask at the store if you need help)
- Fusible Web--Steam A Seam II, Heat & Bond etc--available here
- Stabilizer--Totally Stable or Heat and Sta are recommended
 - **available here--just ask for help
- Threads**--bobbin thread is a lightweight white thread--available on spools or pre-wound
 - Decorative threads for your stitching: White, Red, Black & Green
- Fabrics**--We plan to just put the Santa (not the words) on a background such as a kitchen towel (not terry) or a fat quarter
 - fat eights, fat quarters or small pieces of the following colors for Santa design: Red, White, Face (your choice) Black, Green (holly) and Cuff color
