

Cork Coasters

December 11, 2021 10:00 A.M.

Supplies:

Cork Cut Coaster Set with SVG Files from Embroidery Garden (download)

Embroidery Machine, Embroidery Arm, power cord, Embroidery foot

Embroidery Needle 80/12 (bring at least 2)

Embroidery hoop (5x7)

Embroidery thread (desired colors)

Embroidery bobbins to match upper thread

USB stick with designs loaded in your machine's format for embroidery

Tear-A-Way Stabilizer

Spray Adhesive

Cork Fabric (4.5 inch square is needed for each coaster) Available at RSC

Felt-desired color to coordinate with Embroidery Thread (2 pieces of 4.5 inch square for each coaster)

Fabric for under cut out cork.(Goes between the cork and the felt)

Sewing tools: cutter, rulers, scissors, etc.

This is not a Scan 'N Cut Class. I will have my machine and will have the six designs cut out that you may purchase for \$.25 per coaster. If you wish to cut out your own cork before class, you may but we will have plenty of time in class to accomplish this part of the project. If you wish to cut your own cork in class, you will need the following:

Scan 'N Cut machine, power cord,

Scan 'N Cut tools: cutting mat, spatula, painters tape, spray adhesive, etc

USB stick with SVG cut files loaded for Scan 'N Cut

It will be helpful if you print your own instructions out from the PDF files, when you purchase the design from Embroidery Garden. Once you make this project, you will want to make several. They make wonderful gifts or stocking stuffers. I look forward to seeing you in class. Please call with questions, Deborah, 817-925-8756
