You will need to purchase at least 7-9, ¼ yard blue fabric cut in 2 ½ inch strips\*

1 ¼ yard white fabric cut in 2 ½ inch strips\* ( I used the same fabric for all the white log cabin squares)

Please have all your red, blue and white for the front of your wall hanging cut before you come to class, it will save lots of time.

2 ½ yard for backing, binding and border. The pattern doesn't call for a border, but I added one, this yardage takes in consideration for the border.\*

Please bring your regular sewing machine, power cord, foot control, ¼" foot, rotary cutter with sharp blade, thread for piecing fabric, small iron for your station (if possible).
