

SCAN 'N CUT FABRIC PROJECT--JAN-2018

Supply List

This is another great project from Janine Babich, and if you have made the previous tri-folds this will fit onto the same stand, or you can order a stand here. If you would rather do the square LOVE banner/topper that is fine--or if you would prefer to work on another of the tri-fold designs that is OK too--just let us know.

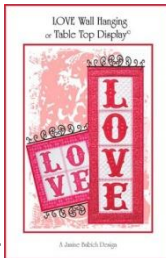

Brother Scan 'N Cut with mat and accessories

- 1/3 yard fabric for backgrounds and backing
- Fat quarter or fat eighth for the heart appliqués
- 2" X 4" for sash across heart (light)
- 1/4 yard fusible fleece
