

## SEWING MACHINE COVER

### Supply List

- Purchase & download pattern from Etsy shop: Just Sew Patterns  
(She has covers for different models of machines)
- **Print out pattern. Make sure your printer is set for ACTUAL SIZE ONLY. Tape it together using the directions in your pattern.**
- **Print out all directions**
- New universal sewing needle
- Larger scissors
- Basic sewing supplies and equipment
- Sturdy pins
- Frixion Pen or Water soluble marker
- Ruler—12-18" & 24"\*\*\*
- Sewing Machine, power cord & foot control
- Cotton thread & bobbin to match your **pre-quilted reversible fabric**
- For the machine & embroidery unit covers you will need 2 yards of pre-quilted reversible fabric. (This was for the Dream Machine. Consult the supply list in the pattern for yardage for your specific machine.) This can be already pre-quilted reversible fabric or you can **quilt your own before class**. Also you need to decide if you will put embroidery on it when you finish. If so, choose a solid for your fabric.
- (Optional) If you want to use piping, have it already made or purchase (2) packages of ready made piping.
- (Optional) 4 yards of bias binding for machine cover & embroidery unit cover for the hem. Cut your own at class from your accent fabric choice (see sample)-allow ½-2/3 yard of fabric for this to allow for bias cuts.
- Bring your feet to apply bias tape and/ or piping foot\*\*\*
- If you want to do the Sewing Mat you will need additional 1 yd of matching pre-quilted reversible fabric & 5 yds of bias binding. (This is for the Brother Dream Embroidery Machine)
- Different size machines will require specific amounts. Check your supply list with your pattern.

\*\*\*Can be purchased from Richland Sewing Center
