

SUPER-BOWL QUILT SEW-IN Supply List

We are “sew” excited about this year’s SuperBowl Sew-In, with a wonderful strip quilt from “Cozy Quilts”. Jane has the strips cut and ready, so be prepared to stitch, press and cut your way into a great project--and of course bring some snacks to share. We will begin around 12:00--but if you cannot get here that early it’s OK--we will be spread out all over the store. We will have multiple ironing stations and cutting stations and tables set up for your machines. With our pre-cut kits, you will sit down and start sewing right away!!

The pre cut kits will include the 2 1/2” strips as shown, with a few extras

- the “accent” strips and inner border (couple of color choices)
- the “background” sections precut (shades of white/gray)
- the pattern from Cozy Quilts

This kit will be “around” \$60--plus a \$10 class fee
You will need to add your own outer border plus your backing.

If you choose to use your own fabrics, you will need to cut strips or use a Jelly Roll, then cut your background pieces and accent pieces when you arrive. You will have a \$20 class fee plus the pattern. Hint--we have pre-cut the kits and hope you will want to use those--as the sample with the Tula fabric is so pretty!! We do have a limited number of kits available. Please let us know if you are using a kit or bringing your own!!!

We will “close-up” by 5:30 if you have a party or plan to watch the game!!

Also bring: Sewing Machine with
cord and foot control

- Ruler and Rotary Cutter
- Piecing thread & bobbin
- Pins
- Basic sewing supplies

**if you have a small iron and mat
you may bring that--we have to
be careful about the power!
