

# TEE-SHIRT QUILT

## Supply List

Bring: Tee-shirts (washed but no fabric softener!)

- Fusible Interfacing-4 yards--the number of t-shirts that you have will determine the yardage

  - \*\*RSC has fusible tricot and fusible non-woven interfacings in the fabric department

- Good Scissors

- Square Rulers--depending on the layout, various sizes are helpful

- Rotary Cutter

- Sewing Machine with power cord and foot control

- 1/4" foot

- neutral thread

- pressing cloth (can be muslin)

- Fabric for sashing if you plan to sash

- Border fabric (these can be chosen after the first class)

- Backing fabric (yardage determined after top is complete)

\*\*You may choose to use only shirt fronts--or backs--or a combination of "parts" which you can choose and decide at the first class!
