

STRING QUILTING BLOCKS

Supply List

This is a fun way to use up your scraps! We will do a couple of different techniques in the class.

I like to use "Paper Piecing Paper"--sold in packages at the store. You can also use old phone book pages, or muslin squares.

Bring: lots of scraps--you can precut them into strips 1 ½" to 2 ½" wide--any length. You can use a Jelly Roll if you want. It is fun to trade strips with others in the class!

- Sewing machine with power cord and foot control
- 1/4 " foot
- Ruler (6" X 12" is good)
- Rotary Cutter
- piecing thread--any color
- foundation--muslin or paper
- basic sewing supplies

Ask Jane any questions!
