

SELF BINDING BABY BLANKET, LOVEY

Supply List

This class is to teach you how to make a simple self-binding baby blanket or burp shoulder pad.

In this class we will be using cotton fabric. If you choose to use minky that's ok too --the steps are a bit different. I will show you. I will have the pattern once you arrive for class.

Fabric needed: 1 ¼ yd of backing fabric

1 yd light wt. batting

1 yd print fabric of choice.

If you want you can have your pieces cut to:

Backing: 40" x 40"

Contrasting fabric: 30" x 30"

Sewing Machine in good working order, attachments, power cord and foot control. Bring walking foot. Coordinating thread, extra bobbins, pins and/or clippies, machine needles, scissors, marking pen or chalk, small ruler, rotary cutter. And of course snacks, just in case you get hungry.
