

# Wave Pocket Market Tote

## Supply List

April 29, 2023 10:00am

What you will need to make this bag is to go to the **Sew 4 Home website**, <https://sew4home.com/> go to bags/tote and look for the Wave Pocket Market Tote to print out your pattern and instructions. This is a free pattern.

Please have all your pattern pieces cut out before class. This will save lots of time.

Needed: Sewing machine with extra wound bobbin coordinating thread, machine needles, WALKING FOOT, machine power cord, foot control, machine feet i.e. edge joining foot, narrow zipper foot.

1 ¼ yds of 44" wide quilting weight cotton for bag bottom exterior, exterior front and back pocket and handles.

¾ yd 44" wide quilting weight cotton for the bag upper exterior, facing, and the Lining pocket

½ yd 44" wide quilting weight cotton for bag lining

1 yd of 45" one-sided fusible fleece (ask Bethney or Jeannie)

¾ yd of lightweight but firm fusible interfacing (Pellon 950f Shir-Tailor) Pellon SF101 is what I used.

2yds of coordinating piping: packaged or **make your own**. I will help you with that  
(See additional supplies)

Thread, rulers, tape measure, fabric pen/pencil, seam ripper, scissors, rotary cutter with a new blade, pins, clippies

\*\*\*\*\* If you want to make your own piping you will need the following:

Brother Machines: piping foot # SA192,

PFAFF: #82053206

Janome 9m #202462006

Narrow Zipper Foot.
