--Get your pattern AHEAD of time to get cutting done before class. This is most helpful and getting more work done in class.

--Choose fabric that will complement each other. It is not recommend to use large print or busy fabric. I like to use fat quarters.

--There are 5 different panels to make. Each panel will need 2 different colors (if you like). Or use 5 colors and mix them up. I used only 2 with the sample. Your choice (placemat will not require that many)

The pattern supplies 3 different hoops sizes. 5 x 7, 6 x 10, 7 x 12 Supplies listed below are based on the large 7 x 12 size hoop. Your choice in the size you wish to make.
