

CRAZY PATCH EMBROIDERY

Molly Mine

Supplies:

Molly Mine Design-purchase w/ discount code through RSC

USB stick to load designs or loaded

Embroidery Machine, power cord & Embroidery foot

Embroidery hoop (6x9 or 8x12)

No show mesh stabilizer

Lightweight Stabilizer to back background fabric (Optional)

Background fabric-big enough to hoop

Fabric scraps to use for patch work.

Embroidery threads (several colors to coordinate w/ your chosen color fabrics)

2 Embroidery Bobbins

Embroidery needle 80/12

Applique Scissors, rotary cutter, ruler, seam ripper, etc.

These are exquisite designs. They look so beautiful when completed. The most fun in doing this project is choosing your fabric pieces. You may choose to do the rooster, chicken, elephant or other animal design. The techniques are the same for all of MM's designs. We **will not** be doing the largest designs as it will take too long. If you need a gauge, I did the 8x10 elephant and it took me right at 3 hours.
