

Easy Quilt

May 1, 2023 Part One

May 8, 2023 Part Two

This class is aimed at the novice quilter. Our thought was to help those that have taken a basic Quilt Classes transition to making a lap quilt. But let me not discourage any other quilters to take this quilt class. It will be a Tossed Nine Patch by Eleanor Burns. This quilt is so fun and is my go-to quilt when I need a quick baby quilt gift.

Supply List:

- Sewing Machine with power cord and foot control
- Quarter inch foot or Universal sewing foot that can accommodate needle movement.
- Quilt in a Day **"Tossed Nine Patch"** Pattern
- 2 Charm packs (5" squares) or 81 five inch squares. Nine of these squares need to be a strong fabric for the center of the nine patch-all the same.

- 1 $\frac{1}{8}$ yard for outer border
- $\frac{2}{3}$ yard for binding
- 3 yards for backing
- Batting
