

Hand sanitizer class

Supply list:

Embroidery machine with power cord and embroidery foot
5x7 Embroidery hoop
USB for design transfer
Regular weight tear away stabilizer
Scissors, will be used to cut your vinyl – serrated edge work nicely
Tape to secure vinyl to stabilizer (such as Embroidery Perfection by Floriani)
Pen to mark stabilizer
Embroidery thread and bobbin to create a bobbin thread to match your vinyl

I will bring my snap setter and crop a dile for you to use to attach your eyelet and snaps

Kit fee \$5 and will include:

Design
Vinyl
Hand sanitizer
Hardware – snaps, Split ring, clip, eyelet
