*Designed to carry your rulers, mats and more.
LOTS of POSSIBILITIES!!!*

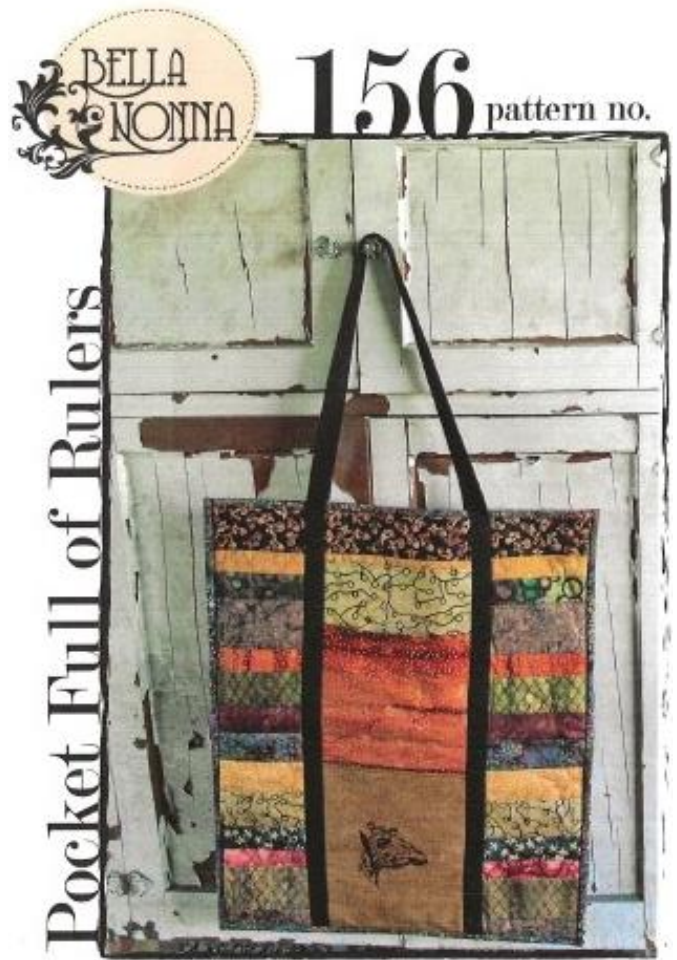

Contact **Richland Sewing Center** for the Pattern with detailed instructions.

Please read over pattern before class.

You should be able to either finish or get really close to finishing in class.

Cut strips by 22" or the full WOF 44".

If you can have the strips sewn together long-ways before class, it will save some time. Any combination of 1-1/2" to 3-1/2" wide by 22" or 42" long (jelly roll strips can be used). Once all strips are sewn together, they should measure approx. 54-56" long, using a 1/4" seam allowance.
