We are also expecting a Nativity ornament set any day now. If you wish to stitch this design pack, you may. I do not know what supplies will be needed as I have not seen the designs. Jeannie will keep you updated through Facebook. Also, 3 1/2" bamboo hoop is best (minimum) size, but if you cannot find these (we carry them at the store), you may use a 4" hoop. DO NOT USE A SMALLER BAMBOO HOOP as the design will be too large. Please call me with questions. I look forward to seeing you at class, Deborah Morris, 817-925-8756
