

IN THE HOOP ZIPPER BAG--“WEEKEND FORECAST”

Supply List

This is a fun embroidery project and you will love the result--when we saw the “saying” on the front it fit us to a “T”. The bag can be made in various sizes from a 4 X 4 inch hoop to a 7 X 12 inch hoop-with two sizes in between.

Your teachers are teaming up on this one--Jeannie will do the daytime and Mary M will do the evening. The bag shows a short wrist strap and Mary has made her sample using a longer strap with slide, and you can do that.

I have attached the cutting chart to this list--if you have your fabrics cut to the sizes listed you will be able to move along and finish quickly in class. If you do not cut ahead you may not finish during class. If you need help with cutting just stop by the store and ask. Find your selected hoop size and cut as listed:
