

CAMPER MACHINE EMBROIDERY

Supply List

This two time class will get you started on a great project, that you can make into a quilt (as the store sample) table runner, pillow or placemat. In class one you will prepare the backgrounds, hoop and embroider one "scene" and class two will finish the details and show you how to prepare the "wonky" setting.

- Bring: **"Retro Camper"** design pack by Lunchbox Quilts--available at RSC for discount
- Embroidery machine with power cord and embroidery unit and embroidery foot
 - **We will provide a sewing machine for stitching the background in class #1
 - **For class #2 Bring your sewing machine
 - Embroidery Hoop--6" X 10" minimum
 - No show mesh stabilizer
 - medium tearaway

You can make whatever camper you want in class. Bring a piece of 6" X 14" fabric for your "sky" and a 6" X 14" piece of fabric for the "ground" or grass

- Fabric scraps for the camper (refer to the photos or our quilt)
- (4) 2 ½" X 11 ½" fabric cuts for borders
- Outside borders--(2) 5" X 15 ½"
(2) 5" X 20 ½"
- Assortment of embroidery threads and embroidery bobbin

Basic supplies including ruler, rotary cutter, washable marker, ripper and scissors
