

# EMBROIDERED GROW CHART

## Supply List

This is an adorable design my Anita Goodesign--and you will have lots of fun stitching it out. There are two styles--jungle and forest, so make that decision before class. There will be homework--as each block takes a while to stitch.

Bring: Embroidery Machine with power cord and embroidery foot

-Embroidery Hoop--8" minimum width

-Design "Grow Chart" by Anita Goodesign --25% off at the store

--USB for design transfer

-No Show Mesh stabilizer

-Soft and Stable (soft poly batting sold here)

-1 yard fabric for background (enough to do the entire project)

-Scraps of fabric for one design block--we also have scraps here

-Assorted embroidery threads and embroidery bobbin

-Small trimming scissors
