

Holiday Dresden Village

*There is no pattern required; instructors will provide. Select either a Halloween or Christmas themed Dresden village. Various design elements can either be cut & fused or embroidered. Examples of both will be presented. *Inexpensive embroidery designs can easily be found on various machine embroidery websites.*

Supply List

Background fabric - 1 yard

Backing - 1 yard

Binding - 1/2 yard

Batting - 1 yard

Fusible (Such as Lite Steam A Seam II) - 1 yard

Dresden plate & design elements - Please bring fabrics in holiday theme of your choice.

- Dresden plate - You will need 20 different fabrics for the Dresden plate blades & rooftops (fat quarters, fat eighths, or 1/8-1/4 yard cuts). It is suggested that you bring 10 pieces and share.
- Design elements - Any fabrics with shapes or words in keeping with your chosen holiday can be used to fuse to your project.
- Various rooftop & other miscellaneous holiday design shapes will be provided for you to use with the Brother Scan & Cut.

Sewing machine, cord & accessories

Extra needles

Terial Magic

Embroidery threads in colors to match or coordinate with your holiday choice (Floriani recommended)

Quilting thread (Auriful recommended)

Straight pins

Marking pen (Frixion recommended)

18° Dresden ruler (Creative Grids recommended)

Rotary cutter & ruler

Small Scissors (Kay Buckley Fabric Scissors HIGHLY recommended-these scissors have very fine

Serrated blades for gripping the fabric and allowing extremely accurate cutting) - 6" or 7.5" work well

Paper cutting scissors

Optional but highly recommended items...

Clover Hot Ruler

Steady Betty or Wool pressing mat to prevent stretching

Applique pressing sheet

Roxanne's Glue Baste-It

Fray Block

Every item on the above Supply List is available at Richland Sewing Center.

* Pool noodle (for rolling up your project) - available down Pipeline at the dollar store by Wal-Mart.

Pool noodles are inexpensive, easy to cut to any desired size, and are great for rolling up any sewing project. Straight pins hold your project in place.
