

Quilt Corral is hosting a Sew Along!

Work from your stash or let us put together a pretty fabric bundle for you.

You'll need the book: "Go! Outside the Box" by Quilt in a Day. \$27.99 We have them in stock with more on the way.

We are making 12" blocks using the 8" Go! Qube, the 8" Go Qube Companion Angles and the 8" Companion Corners.

The book has directions for other sizes of Go! Qube if you don't have the 8" sets.

If you don't have Accuquilt, you can still join the fun by using Marti Michell Templates. You will need Perfect Patchwork Templates Sets B and D for 12" blocks or A and C for 9" blocks.

Barb will be providing conversions for each block.

With everyone staying home and ordering online we realize you have a gazillion options for ordering the products and fabrics you may need for this quilt along. Keep in mind when you choose to order from Quilt Corral you're helping us stay in business so we will still be here on the other side of this situation.

We will ship to you or provide curbside pick up.

If opting for curbside pick up, consider also ordering a delicious Mexican take-out meal from our neighbors, Elenita's.

Here is how it will work:

Starting March 30, 2020 we will post a new block every three days.

There are eight block patterns in the book. We will show each block in two color arrangements for a total of 16 blocks. Make both versions or choose one for a smaller quilt.

Barb and Carol are both sewing along so we will be posting entertaining tidbits as we go.

Post pictures of your blocks on our new Facebook Group: Quilt Corral Sew Along. Each week we will have a random drawing from the pictures posted that week. The weekly winner will earn \$5 Cowgirl Cash.

You can work ahead if you want, but if you post your finished quilt before the official sew along is finished you aren't eligible to win. The idea is to stretch this out during this home-stay time providing you with something to look forward to.

In the end finish your quilt anyway you like. When you post the finished picture of your quilt top in our Facebook Group we will enter you into a grand prize drawing to win a free roll of batting. Drawing date will be determined later.
