This class will be taking the place of All About ME. This year it is a hands-on participation class. You will bring your embroidery machine and all of its accessories. We will have room for 10 machines but if you choose not to bring your machine or all of the tables are spoken for, you can still attend, watch the video and go through the project with us.

Class Policies:

- Classes must be paid for at time of registration. One week cancellation notice required for refund or credit fees.
- It is important to have all your materials before class begins and to have your sewing machine set up and ready to sew. Our teachers make every effort to start on time.
- All brands of sewing machines and sergers are welcome.
- As a courtesy to others, please turn off cell phones during class. If you must take a call, please step out of the classroom to limit disruption to the class.
- Loaner machines are available for \$10.00 rental fee at time of registration.
- This class is for the specific project as described here. If you wish to make something different, it should be done outside of class.
- **PLEASE** do not use perfumes, colognes, scented hair products, or lotions prior to class, so that those with allergies or asthma may enjoy the class as well.

Supplies you will need:

 - You might want to bring your Tearaway tape or purchase it from the shop.
 - You will want to bring a USB stick that we can load the video to so you will have it at home to refer to.
