Class Policies:

- Classes must be paid for at time of registration. One week cancellation notice required for refund or credit fees.
- It is important to have all your materials before class begins and to have your sewing machine set up and ready to sew. Our teachers make every effort to start on time.
- All brands of sewing machines and sergers are welcome.
- As a courtesy to others, please turn off cell phones during class. If you must take a call, please step out of the classroom to limit disruption to the class.
- Loaner machines are available for \$10.00 rental fee at time of registration.
- This class is for the specific project as described here. If you wish to make something different, it should be done outside of class.
- **PLEASE** do not use perfumes, colognes, scented hair products, or lotions prior to class, so that those with allergies or asthma may enjoy the class as well.

Supplies you will need:

- Sewing machine in good working order with power cord, foot control, slide on tray and a new needle. Be sure to bring your sewing machine instruction book if you are sewing on something other than a BERNINA.
- **Basic Sewing Supplies**
 - Good quality fabric scissors
 - Small scissors or snips
 - Seam ripper
 - Straight pins
 - Fabric marker
 - Extra machine needles
 - Pen & paper for notes
 - Anything else you commonly use for a day of sewing!
- Rotary cutter, ruler and mat. If you have a rotating cutting mat, it is helpful for these projects.
- **QCR Mini Ruler**
- Book **Mini Wonderful Curves** by Sew Kind of Wonderful
- **1/4" foot**
- Tweezers

Before coming to class:

- Follow the General Cutting Instructions on page 49 for the navy, silver, red and white fabrics. Don't do the curved cutting on the second half of the page. We will do that in class. If you have never used this ruler or piecing technique it might be a good idea to bring extra fabric to practice on first.
