- It is important to have all your materials before class begins and to have your sewing machine set up and ready to sew. Our teachers make every effort to start on time.
- All brands of sewing machines and sergers are welcome.
- As a courtesy to others, please turn off cell phones during class. If you must take a call, please step out of the classroom to limit disruption to the class.
- Small, basic, non-embroidery machines are available for \$10.00 rental fee at time of registration.
- This class is for the specific project as described here. If you wish to make something different, it should be done outside of class.
- PLEASE do not use perfumes, colognes, scented hair products, or lotions prior to class, so that those with allergies or asthma may enjoy the class as well.

**Supplies you will need:**

- Embroidery machine (that has a hoop at least 5 1/2" x 11" ) in good working order with power cord, slide on tray and a new needle. Be sure to bring your embroidery machine instruction book if you are sewing on something other than a BERNINA.
- **Basic Sewing Supplies**
  - Good quality fabric scissors
  - Small scissors or snips
  - Seam ripper
  - Straight pins
  - Fabric marker
  - Extra machine needles
  - Pen & paper for notes
  - Anything else you commonly use for a day of sewing!
- Decorative thread for the designs. The pack calls for 5 different threads. I used two shades of purple, one wine, one green, and one pink. You will also need construction thread and thread to match your backing for sewing on the binding.

- Please wind two bobbins with bobbin thread and bring one empty bobbin so you can load it with your construction thread.
- The design pack is **Glorious Spring** by Janine Babich Designs, available for purchase at the store.
- Fabric:
  - 1 piece of fabric 16" x 37" for the background
  - 3/4 yard of print fabric for the upper and lower borders, binding and backing. If this fabric is directional you will need 1-1/8 yards. If you want your different fabric for your binding, you will need to purchase 1/4 yard for binding.
  - 1/2 yard of fusible interfacing that is 42" wide that will be ironed onto the back of your main fabric.
  - 1/2 yard of fusible fleece.
  - Ultra Clean 'n' Tear stabilizer, 20" width. You will need enough of this for 5 hoopings in your mega or larger hoop doubled.
  - 30" of trim that contrasts your print fabric.
  - Please bring your tear away tape just in case we need to fix your stabilizer.
- Frixion fabric marker
- You will need either your mega hoop or your Maxi hoop - both will work. Your Midi or large oval will **not**. Please do not forget your template
- 1 Elmers School Glue stick. You will use quite a bit so make sure you have a new one as we do not sell this in the store.

### **Before coming to class:**

- You will need to load the designs to your USB stick or your machine and please be sure to check that your machine can read it.
- You will need to print the PDF file that is on the CD before coming to class.
- Please cut the two borders for the top and bottom before coming to class but bring the rest of the fabric.
- Please fuse the interfacing to the back of your background fabric. Read the instructions on the paperwork that comes with the fusible.
