- All brands of sewing machines and sergers are welcome.
- As a courtesy to others, please turn off cell phones during class. If you must take a call, please step out of the classroom to limit disruption to the class.
- Loaner machines are available for \$10.00 rental fee at time of registration.
- This class is for the specific project as described here. If you wish to make something different, it should be done outside of class.
- **PLEASE** do not use perfumes, colognes, scented hair products, or lotions prior to class, so that those with allergies or asthma may enjoy the class as well.

#### Supplies you will need:

- Embroidery machine in good working order with power cord, foot control, slide on tray and a new needle. Be sure to bring your sewing machine instruction book if you are sewing on something other than a BERNINA.
- **Basic Sewing Supplies**
  - Good quality fabric scissors
  - Small scissors or snips
  - Seam ripper
  - Straight pins
  - Fabric marker
  - Extra machine needles
  - Pen & paper for notes
  - Anything else you commonly use for a day of sewing!
- Rotary cutter, ruler, Add A Quarter ruler and mat
- Fabric as stated on separate sheet. You do not need Battilizer. You can use Hobbs Heirloom batting with Poly Mesh stabilizer. You will

need to cut both of these items so that they are 1" larger than your hoop all the way around.

- Thread – You will need thread to match each of the different fabric colors. You will need an empty bobbin so that you can wind for the quilting and binding.
- You will need your Midi hoop, or larger. If you do not own a Midi hoop or larger, you need to let us know and Georgia will downsize the design for you. If this is done your runner will be smaller.
- We will load your designs when you come to class.

**Before coming to class:**

- **You need to cut all of your fabrics before coming to class. Be sure to label all of the fabrics with the cut sizes.**
- **The measurements for cutting are on the separate supply list.**
- **I did not use either the Vanish Thread or the MonoPoly Thread.**
