

Lepidoptera – Butterfly Quilt

Beginning Saturday, Oct. 13th 10:00am – 11:30pm

(classroom available at 9:45 am for set-up)

Class Fee: \$30 or 1 CC per session

Instructor: Georgia Mate

In this class, we do not sew. You do **not** bring a machine. We will go through how to sew all of the butterflies together but all sewing will be done at home. You will bring back your finished butterflies each month and earn a ticket per finished assignment for a drawing at the end of the series.

Please come join us for our butterfly fun.

Class Policies:

- Classes must be paid for at time of registration. One week cancellation notice required for refund or credit fees.
- It is important to have all your materials before class begins and to have your sewing machine set up and ready to sew. Our teachers make every effort to start on time.
- All brands of sewing machines and sergers are welcome.
- **As a courtesy to others, please turn off cell phones during class. If you must take a call, please step out of the classroom to limit disruption to the class.**
- Loaner machines are available for \$10.00 rental fee at time of registration.
- This class is for the specific project as described here. If you wish to make something different, it should be done outside of class.
- **PLEASE do not use perfumes, colognes, scented hair products, or lotions prior to class, so that those with allergies or asthma may enjoy the class as well.**

Supplies you will need:

- **“Lepidoptera”** pattern book by Elizabeth Hartman.
- Pencil and paper for taking notes
- Fabric as called for in the book. Be sure to go thru your stash because you will need just small amounts for the different sections of the butterflies. You can make them as colorful as you like or you can try for a more traditional look, if you wish.

Before coming to class:

You will only need your book and notebook for taking notes for the first class. If you have your fabric, of course we would love to see it.
