- It is important to have all your materials before class begins and to have your sewing machine set up and ready to sew. Our teachers make every effort to start on time.
- All brands of sewing machines and sergers are welcome.
- As a courtesy to others, please turn off cell phones during class. If you must take a call, please step out of the classroom to limit disruption to the class.
- Loaner machines are available for \$10.00 rental fee at time of registration.
- This class is for the specific project as described here. If you wish to make something different, it should be done outside of class.
- PLEASE do not use perfumes, colognes, scented hair products, or lotions prior to class, so that those with allergies or asthma may enjoy the class as well.
