

Quilt It

Friday, July 26th 10:00-1:00

(classroom available at 9:45 am for set-up)

Class Fee: \$30.00 or 1 CC

Instructor: Peggy Nehring

Class Policies:

- Classes must be paid for at time of registration. One week cancellation notice required for refund or credit fees.
- It is important to have all your materials before class begins and to have your sewing machine set up and ready to sew. Our teachers make every effort to start on time.
- All brands of sewing machines and sergers are welcome.
- As a courtesy to others, please turn off cell phones during class. If you must take a call, please step out of the classroom to limit disruption to the class.
- Loaner machines are available for \$10.00 rental fee at time of registration.
- This class is for the specific project as described here. If you wish to make something different, it should be done outside of class.
- **PLEASE** do not use perfumes, colognes, scented hair products, or lotions prior to class, so that those with allergies or asthma may enjoy the class as well.

Supplies you will need:

- Sewing machine in good working order with power cord, foot control, slide on tray and a new needle. Be sure to bring your sewing machine instruction book if you are sewing on something other than a BERNINA.
- **Basic Sewing Supplies**
 - Good quality fabric scissors
 - Small scissors or snips
 - Seam ripper
 - Straight pins
 - Fabric marker
 - Extra machine needles
 - Pen & paper for notes
 - Anything else you commonly use for a day of sewing!
- Rotary cutter, ruler and mat
- Completed quilt top, **pressed**
- Backing fabric for your quilt, larger than your top by 2" on all sides
- Batting for your quilt, larger than your top by 2" on all sides

- A quilt sandwich to practice on (A quilt sandwich is two pieces of fabric with batting in between.) Muslin works well for this, approximately 18" x 18" or two fat quarters (18"x22")
- 1" safety pins, enough to pin the top of your quilt approximately 4" apart.
- Thread to match or contrast with the top and backing.
- Water or air erasable marking pens
- Painters tape
- Kwik Klip, not required but very helpful.
- Walking foot for your sewing machine if you have that option
- Free motion foot or darning foot if you have that option
- Bernina Stitch regulator if you have a Bernina machine with BSR

Before coming to class:

- Make sure your quilt top is pressed and all extraneous threads are removed. It should be "flat as a pancake!" You might find rolling it on a pool noodle to transport it to class helpful. Also, make sure your backing fabric is also pressed nice and flat.
