### Class Policies:

- Classes must be paid for at time of registration. One week cancellation notice required for refund or credit fees. For blocks of the month, the upcoming session must be paid for BEFORE the date of the session.
- It is important to have all your materials before class begins and to have your sewing machine set up and ready to sew. Our teachers make every effort to start on time.
- All brands of sewing machines and sergers are welcome.
- As a courtesy to others, please turn off cell phones during class. If you must take a call, please step out of the classroom to limit disruption to the class.
- Small, basic, non-embroidery machines may be available for \$10.00 rental fee at time of registration.
- This class is for the specific project as described here. If you wish to make something different, it should be done outside of class.
- **PLEASE** do not use perfumes, colognes, scented hair products, or lotions prior to class, so that those with allergies or asthma may enjoy the class as well!

### Supplies you will need:

- Sewing machine in good working order with power cord, foot control, slide on tray and a new needle. Be sure to bring your sewing machine instruction book if you are sewing on something other than a BERNINA.
- **Basic Sewing Supplies**
  - Good quality fabric scissors
  - Small scissors or snips
  - Seam ripper
  - Straight pins
  - Fabric marker
  - Extra machine needles
  - Pen & paper for notes
  - Anything else you commonly use for a day of sewing!
- Rotary cutter, ruler and mat
- Completed quilt top, **pressed**
- Backing fabric for your quilt, larger than your top by 2" on all sides
- Batting for your quilt, larger than your top by 2" on all sides
- A quilt sandwich to practice on (A quilt sandwich is two pieces of fabric with batting in between.) Muslin works well for this, approximately 18" x 18" or two fat quarters (18"x22")

- 1" safety pins, enough to pin the top of your quilt approximately 4" apart.
- Thread to match or contrast with the top and backing.
- Water or air erasable marking pens
- Painters tape
- Kwik Klip, not required but very helpful.
- Walking foot for your sewing machine if you have that option
- Free motion foot or darning foot if you have that option
- Bernina Stitch regulator if you have a Bernina machine with BSR

**Before coming to class:**

- Make sure your quilt top is pressed and all extraneous threads are removed. It should be "flat as a pancake!" You might find rolling it on a pool noodle to transport it to class helpful. Also, make sure your backing fabric is also pressed nice and flat.
