- This class is for the specific project as described here. If you wish to make something different, it should be done outside of class.
- **PLEASE do not use perfumes, colognes, scented hair products, or lotions prior to class, so that those with allergies or asthma may enjoy the class as well.**

Before coming to class:

Purchase enough fabric for the entire quilt. Sedona Trails is designed as a two color quilt. Be sure you have enough fabric in case of cutting errors!

Before the first class, which will be the Slide Rock block, precut the fabrics as directed on the pattern at the top of page 2, "Trails Layout General Cutting." Do **NOT** start the Sedona Trails **curve cutting**. We will do that in class.

If this is your first experience using this ruler it is advisable to bring some scrap fabric to practice the technique prior to using fabric for your quilt.
