

TROPIC TOWN RESIDENT SURVEY

We are gathering input to create a Master Plan for Tropic Town. To help us get input from all residents, please complete this survey and return it to Tropic Town by mail or drop it in the box in front of the Heritage Center. Thank you!

Statement	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
Tropic City should encourage growth in the following areas:					
RV Parks and Camping					
Motel Rooms					
Restaurants					
Retail (gift shops, clothing stores, candy shop, antique store, thrift store, etc.)					
Long term rentals (rentals for year-round residents)					
Vacation Rentals					
Services (hair salon, car repair, car wash, private tours, etc.)					
Recreation Activities (bowling alley, rock climbing wall, mountain bike trails, etc.)					
Infrastructure					
The average sewer rate for communities similar to Tropic is \$46 per month. Tropic's sewer rate is currently \$24 per month.	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
To allow for growth in Tropic, I would be in favor of a water/sewer rate increase.					
If you are in favor of a water/sewer rate increase, how much would you be willing to spend in addition to your current monthly rate? (Circle one)	\$5	\$10	\$15	\$20	\$25
Is any of your household income derived from tourism?	All		Some		None
What growth would you like to see in Tropic?					
In your opinion, what is the biggest problem facing Tropic?					
What is the best thing about Tropic?					

Thank you for taking the time to complete this survey. Please return this survey to Tropic Town PO Box 130, Tropic, UT 84776 or deliver directly to the town office.
