

All Season Table Runner

Version A: Pointed End, Hemmed with Tassels

Version B: Pointed End, Lined with Tassels

Version C: Square Ends, Lined

Materials:

Version A: 1/2 yard 51" – 63" wide Home Decorating fabric
2 tassels

Versions B, C: 1/2 yard 51" – 63" wide main Home Decorating fabric
1/2 yard 51" – 63" wide lining fabric
2 tassels (Version B Only)

Cutting for All Versions:

Determine what width you would like your runner (13" to 16") and add an inch for hems. Cut runner should be at least 14" to 17" wide and the length of the full width of the fabric. For versions B & C, cut lining fabric same size as main fabric.

Version A:

1. On wrong side, turn under and press $\frac{1}{4}$ inch, twice, on the long sides of the runner and stitch for hem.
2. Fold the fabric in half, lengthwise, right sides together and sew a seam of $\frac{1}{2}$ " at both ends.
 - To add tassels, place the loop of the tassel at the folded corner with the tassel on the right side of the fabric and the loop extending up through the corner so it can be caught in the seam.
3. Turn the fabric so the seam is inside and the end is now a point with the tassel hanging out. Press and serve!

Versions B & C:

1. Fold in half and cut the main fabric as shown:
Repeat for lining fabric.
 - To add tassels, place the loop of the tassel at the tip of the triangle of the main fabric of your runner and the tassel hanging towards the right side of the runner and pin. Do this for both ends.
2. With right sides together, sew around the outer edges with a $\frac{1}{2}$ " seam, leaving an opening so you can turn your runner to the right side. Turn right side out, press the seam.
3. Turn the raw edges of the seam allowance to the inside. Finish runner with hand whip stitch or machine top stitching.
