

Button Fabric Ornaments

Supplies:

Two 3-1/2" x 5" pieces of fabric

Two 3-1/2" x 5" pieces of ultra hold fusible web

One 3 1/2" x 5" piece of Bosal heavyweight craft interfacing

Disappearing fabric marker

Template plastic

(makes tracing your pattern onto the fabric easier!)

Iron

Non Stick Pressing Sheet

Quick Dry Tacky Glue

Assorted Buttons

Leather Punch

5/32" Eyelet and Eyelet Tool Dritz #637

Hammer

10" of 1/8" Ribbon or cord

1. Iron paper backed fusible web to wrong sides of fabric. Peel off paper and layer fabric and heavy interfacing with the fusible web sides against the heavy interfacing.
2. Press together on both sides using pressing sheet.
3. Trace desired design onto fabric with disappearing marker, then cut out.
4. Punch hole in top of ornament with leather punch. Add eyelet following directions on tool package.
5. Glue assorted buttons to front of ornament.
6. Loop ribbon through eyelet. Tie knot and hang from tree.

Add a name or date to the back for a great tag/ornament in one!
