

Class Policies

We look forward to seeing you in class!

To ensure that your class experience is enjoyable and educational, please read over the following policies. If you have other questions, please call the store where you will be taking the class.

Cancellations & Refunds: Class fees are non-refundable unless the class is cancelled by the store. Classes are subject to cancellation if we have not received a minimum number of enrollments 48 hours prior to the beginning date of the class. You will be notified by phone 48 hours in advance if a class is cancelled and your class fee will be refunded.

Before registering, please call the store where you will be attending the class, if you have questions or are unsure if you are registering for the correct class. Refunds are not given in the case of student cancellation, but if you have paid for a class and are unable to attend, you may send a friend to take your place.

Supplies: Unless otherwise noted in the class description, supplies are not included in the class fee. Please purchase class supplies in advance so you are ready to begin class on time. If a Class Supply List is available online, please download and print the list when you register for class. Class Supply Lists not available online will be mailed to those who register online or by mail or given to you in person if you register at the store. We offer a 10% discount to you on your purchases from your Class Supply List. To receive your discount, please show your online or store register receipt at the time of purchase.

Sewing Machines: Sewing & Quilting classes require basic machine knowledge unless otherwise noted. Please contact a sewing machine supplier and make sure your machine is in good working order and you are familiar with using it before you attend class. A limited number of sewing machines have been provided to us by Quality Sewing for classroom use. If you would like to use a machine during class, please let us know at the time of registration.

Children & Pets: Children are not allowed in the classroom unless they are attending as a student in a class offered for children. For the safety of your child, he or she may not be left unattended in the store while you are in class. Pets are not allowed in the classroom with the exception of service dogs.

Tape Recorders & Cameras: Picture taking and/or recording are not allowed in classrooms without prior authorization.
